

Be part of **Preston** **Volunteers**

Preston's Volunteering Centre

We are Preston Volunteers

... and we are here to help you find your perfect volunteering opportunity. It's our mission to make volunteering in Preston easy to access, fulfilling and life-changing for everyone.

We will give you the chance to help where it is most needed and to make a real difference in our community.

The time you give as a volunteer will support you in your own life too: building your skills and experience and boosting your well-being. You can also take part in our free training for volunteers.

There are so many ways to help, ranging from driving to deliver food to local food banks, using your computer skills to help community groups and charities with websites and social media, working with youth groups and cadets, to spending time outdoors helping to grow vegetables in community gardens.

Give us a call today, send us an email or check out our website

We have a real sense of team work, joint effort while having a good time. I really appreciate that I am having a positive impact on communities.
Benedict

Volunteering helps me to have a routine, a focus and to feel valued. I feel like I am coming back to being me again.
